10. Event Details:

"World Entrepreneurs Day" was celebrated very magnificently on 21st August, 2022 by GUIITAR Council and GSFC University. The purpose of World Entrepreneurs' Day is to create awareness for entrepreneurship, innovation, and leadership among the stakeholders

Dr. Saroj Shekhawat, CEO, GUIITAR Council welcomed invited speakers Mr. Kaushal Chokshi, Mr. Aditya Mishra and Mr. Shubham Upadhyay in the Fireside Chat activity. She also welcomed all the participants to celebrate World Entrepreneurs Day.

Mr. Kirankumar Parmar, Sr. Manager, GUIITAR Council introduced Speakers to the participants and conducted activity "Fireside Chat". He asked following questions to the speakers:

- 1. How did you get started in your industry?
- 2. What was your key driving force to become an entrepreneur?
- 3. What would you say was your biggest challenge?
- 4. What is your approach to competition?
- 5. How many hours a day do you work on average?
- 6. What are the emerging trends in [your industry]?

- 7. Do you believe there is some sort of pattern or formula to becoming a successful entrepreneur?
- 8. What's the best compliment you've ever received?
- 9. If you could change anything about your career path, what would it be?

Mr. Aditya Mishra, Founder, Openspectrum AI said he belongs to the farmer family and knows the problems farmers face in day-to-day life. He said the soil health card provided by Government is not enough from a data point of view and he wants to use his skill of data analysis for the betterment of the farmer's community. He said while doing the job he observed Agritech problems and that current solutions are not enough to solve the problems so he quit the job and established the company Openspectrum AI [Soil Health as a Service (SH-a-a-s) which provided Soil Health report using satellite image analysis using Artificial Intelligence Technology. He is trying to eliminate physical lab for soil testing so once click farmer gets the data on soil health. He said the biggest challenge he faced is digitization in the Agitech industry.

Mr. Kaushal Chokshi, Founder, Marsbazaar.com said his father has identified a gap in the supply chain, technology use, compliance, etc. in real estate and advised him to start Marsbazaar.com. He has more than 10+ years of experience as a research analyst and best fit for providing industry advisory services. He started his company to provide a one-stop solution to startups to identify property and vendors for their business. He managed competition by collaborating with like-minded people, experts and others. He said unique problems required unique solutions therefore no such formula is available to become a successful entrepreneur. He said when the life of his stakeholders is transformed he is very happy and satisfied.

Mr. Shubham Upadhyay, Founder, Green Global Aggrovation Pvt. Ltd said he study textile engineering but have a passion to do something in Agritech since school day established Agitech company to provide a solution to Vegetable and Fruit growers at home. He said a co-founder of Boat Company is Chartered Account and started a Technology Company. He advised students not to limit themselves just follow their passion and solve unsolved problems. He quoted Gujarat former Education Minister Shri Bhupendrasinh Chudasama's famous definition of startups that is "Samasya Ka Suvidha Ke Sath Sukhad Samadhan" and explained how technology provided solutions to society. He said healthy competitions always give benefits to the consumer and his company is more focused on technology and protecting innovation by filing Patents. He remembered his mentor advised failing fast and he also advised the same to students.

Mr. Kirankumar Parmar proposed a vote of thanks to the august gathering.
