

## Event Report

- 1. Name of Event:** Lean Startup & Minimum Viable Product/Business
- 2. Nature of the Event:** Seminar
- 3. Date:** 30<sup>th</sup> August, 2022
- 4. Time:** 04:00 P.M. to 05:00 P.M.
- 5. Venue:** Auditorium, School of Technology, GSFC University
- 6. Organized by:** GSFC University, GUITAR Council, Institution's Innovation Council, Start-up Gujarat Cell & SSIP
- 7. Number of Participants:** 140, As per Annexure -1
- 8. State Govt. Role:** To promote the event
- 9. Speakers:** Mr. Rishabh Patil, Founder & CEO, Agri Z Future Farms Pvt. Ltd.
- 10. Event Details:**

The expert session on “Lean Startup and Minimum Viable Product” by Mr. Rishabh Patil, Founder & CEO, Agri Z Future Farms Pvt. Ltd. was organized by GSFC University, GUITAR Council, Institution's Innovation Council, Start-up Gujarat Cell & SSIP as a part of the series of the events that the IIC institutions need to organize in the field of Innovation, IPR and Startup by inviting successful innovators, patent experts and entrepreneurs and resource persons from innovation and startup ecosystems to constantly guide and motivate the students towards startups.

The expert session was organized and moderated by Dr. Virajkumar J Bhanvadia, GUITAR Council Startup Coordinator - School of Science & Assistant Professor-Chemistry. The students and the faculties from the various programs of School of Science, School of Technology, and School of Management actively participated in this expert session. The total number of participants during the expert session was 140. In the beginning of the session, the invited expert, Mr. Rishabh Patil explained the importance of the realization of the ideas to the audience by quoting the famous phrase “It's not about ideas, It's about making ideas happen”. Mr. Rishabh interacted with the students around the following points,

1. What is “Lean Startup” and what are the steps one should follow to arrive at lean startup

2. What is “Minimum Viable Product” and how important it is to start any business with minimum viable product
3. What are the steps one should follow to arrive at minimum viable product
4. How Agri Z Future Farms Pvt. Ltd. Arrived at its minimum viable product
5. The journey of him and his company Agri Z Future Farms Pvt. Ltd.

The session was very live and interactive in terms of idea sharing, discussions, and doubts clearing. Many of the students agreed that their understanding on the session topic has quite improved after attending the session.

The session was concluded with the Vote of Thanks by Dr. Saroj Shekhawat, CEO-GUITAR Council & Assistant Professor-Biotechnology. As a gesture of gratitude, a memento form the GUITAR Council and GSFC University was presented to the invited expert Mr. Rishabh Patil by the session organizer and moderator Dr. Virajkumar J Bhanvadia.

## 11. Learning outcomes of the event:

- Students’ and startups’ understanding about the importance of “Lean Startup and Minimum Viable Product” enhanced substantially
- “What are the steps to arrive at lean startup” explained in a niche way to the participants
- Understanding on the importance of starting any business with the minimum viable product
- “What are the steps to arrive at minimum viable product” for any business or startup was explained in a understandable manner to the participants with real life examples

## 12. Feedback:

The feedback from the participants of the session was very positive. The participants agreed on more number of such sessions should be organized.
