Brief of Mrs. Swati Bedekar:

She is the founder of the 'Sakhi Project' by Vatsalya Foundation. This project focuses on spreading awareness about menstrual hygiene, specifically to rural women. Team go to villages in India to educate women about the same and also provide them low cost and biodegradable sanitary napkins. They also help them set up sanitary napkin manufacturing units, in order to provide them employment. This not only helps them gain financial independence but also gives them sense of achievement.

Experience:

1. Trustee, Vatsalya Foundation - May 2010 – Present
2. Coordinator, Discovery Group Shishumilap - 2001 - Present
